

403 TORONTO SCOUT TROOP

TUESDAY, APRIL 28 — BIKE CHECKUP & REPAIR CLINIC

Bring your bike.

SATURDAY, MAY 2 — WORLD CONSERVATION BADGE

This is a multi-group event that will let us complete the World Conservation Badge. This is not an event we're focussing on this year, however if there are Scouts who really want to attend I will do my best to make it possible. The cost of this event will be \$15 for the day.

SUNDAY, MAY 3 — BUILDING A BRIDGE AT THE FORSYTHIA FESTIVAL

This is a local festival and we're planning to have a presence there. I thought it would be cool if we as the Scout Troop built a bridge in the park.

TUESDAY, MAY 5 — DON VALLEY BIKE HIKE

Ride your bike through local parts of our city and ravine system. This will be a fun way to see some parts of the city you may not have seen before.

TUESDAY, MAY 19, 6:30-9:00PM — CLIMBING

We'll be meeting at and climbing at Toronto Climbing Academy at Broadview and Queen. All equipment will be provided. The exact timing and location will be finalised soon. The cost will be \$15 each. If cost is a problem, please talk to Scouter Keith about it instead of opting out.

JUNE 5-7 — SCOUT-PLANNED CAMP

We don't have a location for this camp yet, but the Scouts will be planning and running a camp for themselves sometime in June. Stay tuned.

JULY 18-25 — HALIBURTON SCOUT RESERVE

This is a fantastic summer camp near Haliburton, Ontario. It is on a Scouting-owned lake where we get around by canoe every day. In addition to camping in our own tents and cooking for each other there are many great activities that the Scouts may participate in including archery, rappelling, snorkeling, climbing, and sailing.

We'll be joining with the 1st Highland Creek again for this camp. The cost for this camp will be \$375 (this is more than I initially said, sorry). If cost is a problem talk to Scouter Keith. This is an opportunity not to be missed!
