

# 403 TORONTO SCOUT TROOP

## MOVIE NIGHT — MAR. 10, 6:30-9PM

The Scouts wanted to go out to see a movie and that's what we're doing this week. **We're meeting at Rainbow Cinemas at [80 Front Street E](#)** at 6:30pm. We'll be watching either [I Am Number Four](#), a recent thriller, or [Rango](#), a new animated comedy, depending on the vote when we get there. **Bring \$6 for the film and money for snacks you may want.** Some of the Scouts are meeting to come down together. Call Siddharth (416-925-8542) to find out the details for going as a group.

## BRUCE TRAIL HIKE — SUN., MAR. 13, 9AM-4PM

We'll be hiking another section of the Bruce Trail to complete our end to end of the Toronto section. Some of the Scouts will have only one more to do after this. We need at least one parent to come and drive for this hike, two would be much better. **Please contact me ASAP to confirm whether or not you are coming and if you can drive.** We'll meet in front of St. Peter's (our regular meeting place), don't hang around inside or block the driveway of the church please!

## FIRST AID COURSE FOR THOSE 14 AND OLDER — SAT., MAR. 19 AND SUN., MAR 20

This is an important course for anyone, but is crucial if you wish to complete your Chief Scout Award. **You must bring \$50 to Scouter Keith by the 10th if you wish to participate in this course.** If you complete the course and pass it we will refund your money. The actual cost of the course is \$100.

## BASIC CLIMBING LESSON — SAT., MAR. 26, 1PM

The leaders and patrol leaders will be training to help the younger Scouts with our climbing night on Mar. 31. The costs of this event are covered, but you must commit. We'll be doing this course with the Toronto Climbing Academy where we have done all our previous climbing.

## SCOUT CLIMBING NIGHT — THURS., MAR. 31, 6-9PM

We'll be doing our second climbing night of the year. Cost for the session is \$15. Shoe rental will be covered by the group.
