

# 403 TORONTO SCOUT TROOP

## FIRST AID COURSE FOR THOSE 14 AND OLDER

This is an important course for anyone, but is crucial if you wish to complete your Chief Scout Award. **You must bring \$50 to Scouter Keith if you wish to participate in this course.** If you complete the course and pass it we will refund your money. The actual cost of the course is \$100. The date must be reset as the original date was full.

## BASIC CLIMBING LESSON — SAT., MAR. 26, 1PM

The leaders and patrol leaders will be training to help the younger Scouts with our climbing night on Mar. 31. The costs of this event are covered, but you must commit. We'll be doing this course with the Toronto Climbing Academy where we have done all our previous climbing. We can meet and travel together if you like.

## SCOUT CLIMBING NIGHT — THURS., MAR. 31, 6-9PM

We'll be doing our second climbing night of the year. Cost for the session is \$15. Shoe rental will be covered by the group. We'll meet at the church at 6pm and travel together to the Climbing Academy.

## BRUCE TRAIL HIKE — SAT., APR. 2, 9AM-4PM

We'll be hiking another section of the Bruce Trail to complete our end to end of the Toronto section. Some of the Scouts will finish with this section. We need at least one parent to come and drive for this hike, two would be much better. We'll meet in front of St. Peter's (our regular meeting place), don't hang around inside or block the driveway of the church please!

## SURVIVAL SKILLS — THURS., APR. 7

At this meeting one of the patrols will lead us in an exploration of survival skills including making our own survival kits.

## LEAVE NO TRACE — THURS., APR. 14

At this meeting the other patrol will lead us in an exploration of Leave No Trace principles of camping. We'll each get our own reference card.
