Toronto Island Camp Skills and Boating Day Saturday, September 21, 2013

Unfortunately, the city permits department has been impossible to effectively contact to get a permit for our camp. As a result, we will not be camping this weekend, but will spend Saturday doing many of the activities we would have done at camp. We will start sooner to ensure that this important and exciting camp happens next year.

We will leave from the Church at 8:45 am to ensure we can make it to the ferry on time. Eat breakfast before you come. We will make lunch and supper on the island. **We will be outside all day – dress for the weather.** Please also bring 2 TTC tickets and \$20 to cover food and ferry. As ever, if money is an issue, come anyway and contact our group commissioner Beth Baskin about a subsidy.
