

403 TORONTO SEA SCOUTS

This is not an exhaustive list of all our weekly meetings, but a list of key dates to keep in mind. You can see the current state of our schedule and RSVP for all events by logging on at [ScoutsTracker.ca/scouts](https://scoutstracker.ca/scouts).

COURT OF HONOUR MEETING — WED, OCT 15; 6PM

The Coxswains and Boatswain will meet with Skipper Keith at 6pm before the regular meeting to discuss upcoming camps and start to think about next year's program. We will order pizza.

APPLE DAY: ST. LAWRENCE MKT — SAT, OCT 18; 9AM-3PM

403rd Toronto Beavers, Cubs, & Sea Scouts will be at St. Lawrence Market to offer apples to people walking by and ask for donations. **This is a key public profile event and fundraiser for us and everyone is expected to attend for at least 2 hours.** We will have a table and flags and scouters in red shirts with baskets from 9 AM to 3 PM. We ask that each family commit to a two-hour shift. You will have received a separate email from Beth on Oct 6 with more details.

APPLE DAY & CANOEING: WARD'S ISLAND

— SUN, OCT 19; 9AM-3PM

In addition to our main Apple Day event at St. Lawrence, we thought it would be cool to see if we could be more visible on the island too. We'll meet at our York Quay meeting spot at 9am and take the QCYC Tender. Wear your dress uniform, bring lunch and a water bottle.

We'll spend a couple of hours spreading out across Ward's Island and raising our profile by giving out apples in return for donations. Then we'll have lunch near the paddle centre and go canoeing in the lagoons. We will also do some clearing of garbage from the lagoons so bring some gloves. Sometime during the day we will respectfully destroy some worn out flags for QCYC.

CAMP SKILLS & BRING A FRIEND — WED, OCT 22

Last week Emma mentioned that she has some friends who are interested in what Scouts is about. This night we will focus on practising camp skills like saw, stove, tent and knife skills as we prep for Skyline camp. If you have a friend who might be interested, this is the time to invite them. We have 4 spots available.

BOAT WORK DAYS

— SAT, OCT 25 & SAT, NOV 1; 10AM-4PM

We have a small window to do needed work on our boats and put them safely away for winter. Everyone is expected to contribute at least 4 hours on at least one of these days, but more is better. There is lots of work to do and we will be dividing into small crews to get it done. We will meet at York Quay at 10am and you will return there about 4:15pm. Bring a lunch, wear work clothes and dress for the weather.

SKYLINE CAMP — NOV 7-9

We'll be going to Everton Scout Camp which is a few kilometers past Blue Springs Scout Reserve (north of Milton, ON) and will be hiking, cooking, learning camp skills like firelighting, axe and saw use, orienteering, pioneering, and generally having a great time exploring the woods and hills of Everton with other Scouts.

The plan is to leave from the Scout Hall at 188 Carlton at 5pm and be at camp by 7pm to set up. Please bring a sandwich or other food you can eat in the car en route to camp. Parents will need to work with each other to carpool and see that all Scouts get to camp as Scouts Canada does not want Scouters driving Scouts to camp for liability reasons.
